Job Title:

Aquatic Coordinator

Job Description:

The Aquatic Coordinator assumes functional and administrative responsibility of all aquatic facilitation in the Mizzou Aquatic Center, which includes a 50M competitive pool, diving well, two hot tubs, indoor leisure pool and a steam and sauna room. The coordinator oversees the hiring, training, supervision and evaluation of Lifeguards and Aquatic Event Staff; provide professional supervision of facility operations; and communicate custodial and maintenance needs. This position will assist in the planning and supervision of all aquatic special events and swim meet competitions. This individual will have responsibility for direct management of one or more aspects of the department's mission, critical to facility operation and services.

Qualification:

- Bachelor's Degree
- Lifeguard

Required Knowledge, Skills, and Abilities:

- Understanding of pump rooms and pool chemicals. Organizational skills needed for event planning, hiring, training, and coaching student staff.

Education + Experience:

- Bachelor's degree and at least 2 years of experience

Other Benefit Offer:

- Health insurance
- Life insurance
- Paid sick time
- Paid time off

Compensation

- Between \$21 to \$26 per hour
